WHAT IS INFRAGARD?

InfraGard is a Federal Bureau of Investigation (FBI) program that promotes an information sharing and analysis effort between the FBI, other government entities, and the private sector. The Arkansas InfraGard Members Alliance has developed an association of businesses, academic, state and local law enforcement agencies, and other participants dedicated to sharing information and intelligence to prevent hostile acts to our nation's infrastructure.

REGISTRATION

The seminar is free but seating is limited and registration is required. Please click [HERE](#) to register. RSVP may also be emailed to InfraGardArkansas@gmail.com.
